

User Stories for Pubrundan

- As a user opening the application for the first time, I want to be asked which campus should be set to the standard campus.
- As a user opening the application, I want to see a welcome screen with the application's logo.
- As a user, I want to be able to change my standard campus from the settings menu.
- As a user, I want to see the map with the pubs' locations displayed on the map.
- As a user displaying the map, I want to be able to click a certain pub to display more information about it.
- As a user displaying the map, I want to be able to change the view of the map between "street", "satellite", and "traffic".
- As a user displaying the map, I want to be able to switch campuses and thus have the map be redirected to the newly selected campus.
- As a user, I want to be able to see a list of all the pubs (pub list).
- As a user, I want to be able to click a certain pub in the pub list to display more information about it.
- As a user, I want to be able to send feedback to the developers.
- As a user, I want to be able to recommend this application to my friends.
- As a user, I want to be able to display my location on the map.
- As a user, I want to be mildly entertained by an easter egg in the application.
- As a user, I want to be prompted with a popup message when quitting the application, asking me if I really want to quit or if I want to cancel and get back to the map.
